WELCOME MESSAGE

Dear Industry Partner,

Warm Greetings!!

On behalf of the Organizing Committee, it is our great pleasure to invite you to the **7th Asian Congress on Inherited Metabolic Diseases (ACIMD 2027) & 8th Conference of Indian Society for Inborn Errors of Metabolism (ISIEM),** scheduled to be held at **JW Marriott, Aerocity, New Delhi** from **24th - 27th March, 2027.**

This prestigious congress brings together leading metabolic physicians, clinicians, researchers, and allied healthcare professionals from across Asia and beyond, with a shared commitment to advancing the diagnosis, management, and research of inherited metabolic diseases.

The scientific program will feature:

- Plenary lectures by internationally renowned experts
- Thematic symposia highlighting recent advances and innovations
- Interactive workshops and case-based discussions
- Opportunities for networking and collaboration

The theme of this year's congress, **"Innovate, Collaborate, Transform: Advancing Care of Inherited Metabolic Disorders in Asia"**, reflects our collective vision to strengthen regional collaboration, foster innovation, and improve patient outcomes in the field of metabolic disorders.

Your distinguished contribution and participation to this important academic gathering will be highly appreciated. Your presence will undoubtedly enrich the scientific discourse and inspire meaningful exchange.

Further details regarding registration, abstract submission, and the scientific program are available at **www.acimd2027.in**

We look forward to welcoming you to New Delhi for an enriching and memorable congress experience.

Warm regards,

Dr. Seema Kapoor
Chairperson

Dr. Neerja Gupta
Organizing Secretary

On behalf of the Organizing Committee

CONFERENCE HIGHLIGHTS

A Week of Insight and Innovation

INTERACTIVE PRE-CONFERENCE WORKSHOPS

- Newborn Screening – From basics to advance
- Multi Omics Data Analysis in Metabolic Diseases
- Workshop for dieticians-Understanding dietary management

MAIN CONFERENCE HIGHLIGHTS

- Engaging scientific sessions
- Keynote addresses and plenary sessions by key opinion leaders across world
- Dedicated Young Investigator Sessions to foster next-generation leaders
- Advances in Newborn Screening & Early Diagnosis
- Novel Therapies & Therapeutic Breakthroughs including gene editing, enzyme replacement therapies, and cell transplantation.
- Artificial intelligence: A Game-Changer for IMDs
- Advances in Genomics, Bioinformatics & Personalized Medicine
- Tailoring Diagnosis & Treatment to Genetic Diversity
- Dietary Therapies
- Patient-Centered Care Models & Support Networks
- Rare Disease Registry & Collaborative Research Networks

BENEFITS TO A SPONSOR OR EXHIBITOR

- The best platform to meet leading metabolic physicians, clinicians, researchers, and allied healthcare professionals from across Asia and beyond.
- Connect with 1000+ doctors from across India and other countries.
- Launch new products in front of a highly focused and relevant audience.
- Highlight your brand and engage with professionals from multiple related industries on one common platform.
- Benefit from multiple panel discussions featuring top technical experts.
- Enjoy well-targeted networking opportunities throughout the conference.
- Gain extra visibility, direct client interaction, and VIP benefits.
